Good evening,

We have something's we are working on in treatment. We were going to meet with Fred H. who is the area treatment chair, to learn more about the Bridging the Gap program. Unfortunately he was not able to attend due to health reasons. I will be reaching out to set up a call with him this coming month. We would like to see if Bridging the Gap will be a good fit for our local treatment facilities.

Pete and James have been opening up the Tuesday/Thursday Fort Drum meeting.

We should have more updates next month.

The farm meeting has been running smoothly. If anyone is interested in volunteering, please send them my way! As always, if anyone has any questions or concerns, please reach out to me!

## **DISTRICT 0700 LIASON REPORT:** Gretchen T.

Greetings from District 0700!

There are a number of pots boiling on the stove since the last time I gave a report to you all. We like to keep things simple, yet busy.

- If/When Intergroup moves: District had a very lengthy discussion around the bills, 7th tradition collections and why things aren't divided evenly between the two entities. There was a bit of confusion. However, A motion was made: whether Intergroup moves or not we will split the operating expenses with them 50/50. Which was seconded, and eventually tabled due to the GSRs not being able to make any decisions based on their groups' conscience. Several of them stated they hadn't even discussed the move options and rent expenses with their groups yet. Hopefully the Intergroup Special Meeting will help shed some more light on the matters at hand. District knows they need

to make this decision and is looking for someone to come forward with a reason as to why we haven't helped more financially before. More will be revealed.

- Area 47's Assembly was held at the First Presbyterian in Watertown on Sunday July 13th. It was a scorcher, but everyone got through business as quickly as possible. In case you missed it, there was a workshop panel where the discussion was "working with your local Intergroup." Your chairman along with a past Delegate, and our current area literature chair were the speakers. I heard nothing but positive feedback regarding the panelists and what they brought to the table on the topic. An extra THANK YOU to anyone who was of service that day. Whether you were there in spirit, dropping off a dish to pass, or helping the clean up crew.. all were greatly appreciated.

Yours In Service,  
Gretchen Thomas
